RE: Project No. 50621, Application of Silver Star I Power Partners LLC to Amend its
Power Generation Companies Registration

RECOMMENDATION

On March 4, 2020, Silver Star I Power Partners LLC (Silver Star) filed an application to amend its power generation company registration pursuant to 16 Texas Administrative Code (TAC) § 25.109. Silver Star indicated that an amendment is necessary to reflect a change in Silver Star's parent company, contact person and affiliate list resulting from a change in ownership. Silver Star's registration number is 20186.

After a review of the Silver Star's amendment request, Staff has concluded that the company has satisfactorily completed the post registration requirements under 16 TAC §25.109 (h) by reporting a material change in the information provided on the registration form within 45 days of the change. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, Staff recommends that Silver Star's amendment request be granted, and commission records be revised to reflect the amendment.
