TARIFF CONTROL NO. 50635

**APPLICANT'S RESPONSE TO COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO NERRO SUPPLY, INC.
QUESTION NO. STAFF 1-1**

Staff 1-3 Please verify the volumetric rate base of the gallonage charge is \$1.50, resulting in a \$6.50 total gallonage charge listed in the tariff for CCN No. 12252

Answer: In this application, the North Harris County Regional Water Authority (NHCRWA) pass through fee requested is \$5.00 per 1,000 gallons. The currently approved NHCRWA pass through fee per the utility's approved tariff is \$4.00 per 1,000 gallons. (Docket No. 48532). A copy of this utility's current tariff rate pages was included in the filing of this application. The current total gallonage charge approved per Docket No. 48532 is \$5.50 per 1,000 gallons. If \$4.00 of this gallonage charge is for the NHCRWA pass through fee, then the remaining portion of the gallonage charge would be \$1.50. The requested total of gallonage charges in this requested pass through application will result in a total of \$6.50 per 1,000 gallons. Base gallonage rate \$1.50 + NHCRWA pass thru fee \$5.00 = total gallonage charge of \$6.50 per 1,000 gallons.
