RE: Project No. 50652 - *Application of NRG Texas Power LCC to Amend its Power Generation Company Registration*

### RECOMMENDATION

On March 10, 2020 NRG Texas Power LCC (NRG Texas or the Company) filed an application for an amendment to its power generation company registration (Application) pursuant to 16 Texas Administrative Code (TAC) § 25.109 NRG Texas stated that an amendment is necessary to update a change in its list of affiliates. The Company's registration number is 20184.

After a review of NRG Texas' application, Staff has concluded that the applicant has satisfactorily completed the post-registration requirements under 16 TAC § 25.109(h) by notifying the Commission of any material change in the information provided on the registration form within 45 days of the change. Therefore, Staff recommends that NRG Texas Power LCC's application for an amendment to its power generation company registration be granted. The Commission records should be revised to reflect the updated change in its list of affiliates.
