		Texas – South	7,822
New Mexico	3	New Mexico	3,180

### STAKEHOLDER COMMUNICATIONS

#### State EOC

- Enterprise Preparedness – Tuesday and Thursday

#### PUC/PRC

- Regulatory Affairs – Weekly

#### City/County

- Community Relations – Weekly

#### General

- All employees mandated to perform coronavirus symptom self-check prior to coming to company offices or the jobsite and during their shift.
- Reentry of Phase 1 Wave 1 employees began on July 6. The employees who are in Wave 1 are unable to perform their entire job duties remotely. Daily “well checks” w/ temperature readings required in addition to numerous other protocols for employee entry. It is planned that Phase 2 and Phase 3 employees will continue to work from home until at least April 2021.
- Company will continue to evaluate the return to the office for employees that are required for filings or special projects on a monthly basis.
- FR rated face coverings have been distributed to employees working in the field
- Face coverings are required in all company facilities
- Xcel Energy medical coverage expanded to cover all COVID-19 medical costs for those enrolled in medical or retiree medical plans through December 31<sup>st</sup>.
- Governor Lujan Grisham announced New Mexico’s two week “reset” beginning on November 16th:
  - Shelter in-place, stay home except for the most essential trips
  - Essential businesses may operate at limited occupancy
  - Non-essential entities, including close contact businesses, must reduce in-person workforce and activities by 100%
  - Food and drink establishments may provide curbside pickup and delivery; onsite dining is prohibited.

234

- New Mexico Environment Department (NMED) filed an emergency rule that requires employers to report positive cases the NMED within four hours of being notified of the case, effective August 5.
- On September 17th, Texas Governor Abbott expanded reopening. In hospital regions with hospitalization rates less than 15% for seven consecutive days, businesses can expand occupancy rates to 75%: Retail, Restaurants, Offices, Manufacturers, Museums, Libraries, Gyms. Elective surgeries can begin again in these regions as well. Bars are to remain closed in all regions. In addition, beginning September 24<sup>th</sup>, all nursing homes, assisted living centers, state supported living centers, and long-term care facilities can reopen for visitation given there are no active cases in the facility. On October 7<sup>th</sup>, Governor Abbott allowed bars to reopen to 50% occupancy in conjunction with county officials in these regions.
- The City of Amarillo raised its Coronavirus Status from Level Orange to Level Red on October 14<sup>th</sup> citing stressed local hospital capacity.
  - Level Red provides recommendations to avoid social gatherings, avoid non-essential travel, and avoid non-essential interactions.
  - The City of Amarillo remains at Level Red.
- On October 16, Governor Abbott announced that the Texas Department of State Health Services (DSHS) and the Texas Division of Emergency Management (TDEM) have surged medical personnel, medical supplies, and personal protective equipment (PPE) to the Panhandle and South Plains areas to support hospitals in their COVID-19 response. These resources will be concentrated in hospitals in Amarillo, Lubbock and the surrounding areas. DSHS has deployed 171 medical personnel to these communities, and an additional 100 personnel arrived Sunday October 18. DSHS has also deployed 100 IV pumps, 56 ventilators, and 25 oxygen concentrators to the region.
- Amarillo hospital capacity exceeds the Governor's 15% requirement for greater than seven days, requiring Amarillo retail businesses to lower occupancy levels to below 50%.
- Xcel Energy Business travel policy restricts travel to an CDC country Level 3 and DOS Level 4
- Xcel Energy employees are encouraged not to travel to identified restricted regions.
  - Employees who choose to travel to these areas or take a cruise are required not to return to work for two weeks after returning to the United States
- No visitor policy at all locations
- Only vendor delivery of essential goods and services are allowed

#### Distribution

- Distribution Control Center (DCC) is conducting "well checks" w/ temperature readings for employee entry
- Distribution Control Center (DCC) has completed sequester plan w/trigger
  - Trailer contracts have been established to provide onsite 48-hour delivery upon activation.
- DCC is considered sterile environment with restricted access
  - Employees are cleaning
- Distribution crews have performed and completed infrared (IR) inspections on circuits containing regional hospitals and made all identified repairs.
- Xcel Energy employees will NOT enter residential customer dwellings
- Servicemen are reporting directly from home to job site
- Crews are on staggered start times to increase social distancing

- Design Engineers and Designers working from home but still visiting job sites while maintain social distancing guidelines
