OPERATIONS

General

- Governor Abbott issued an Executive Order lifting the mask mandate in Texas. Beginning Wednesday, March 10, all businesses of any type may open to 100% capacity. Businesses may still limit capacity or implement additional safety protocols at their own discretion.
- The State of NM transitioned to a tiered county by county COVID-19 risk system to allow local communities flexibility to operate day to day activities after the two-week reset period that ended November 30th. Counties will operate under three levels: Red, signifying very high risk; Yellow, signifying high risk; and Green, signifying medium risk. Each level carries its own set of restrictions. Counties that are Turquoise have reached Green status for two consecutive biweekly map updates.
 - Chaves, Eddy, Quay, Roosevelt, and Lea Counties have remain at the State's highest level of Turquoise – 75% dining capacity and retail capacity at 50%
- All employees mandated to perform coronavirus symptom self-check prior to coming to company offices or the jobsite and during their shift.
- Daily "well checks" w/ temperature readings required in addition to numerous other protocols for employee entry.
- Employees will continue to work from home until vaccinations are widely available to the general population and the pandemic is beginning to recede.
- Company continues to evaluate the return to the office for employees that are required for filings or special projects and will tentatively schedule the return of another small contingent on May 17th.
- Face coverings are required in all company facilities
