PUBLIC UTILITY COMMISSION

OF TEXAS

NOTICE OF APPROVAL

This Notice of Approval addresses the March 31, 2020, application filed by El Campo Wind, LLC to amend its renewable energy credit (REC) generator certification under 16 Texas Administrative Code (TAC) § 25.173(q). El Campo seeks an amendment to reflect a change in the methodology used to report renewable generation to the program administrator. El Campo seeks to revise the Commission's records indicating the location of its Verawind facility on the required map. El Campo Wind is registered with the Commission as a power generation company under registration number 20549.

On April 15, 2020, Commission Staff recommended approval of El Campo Wind's application for amendment to its REC generator certification.

The administrative law judge finds that El Campo Wind has complied with the filing requirements in 16 TAC § 25.173(o).

The Commission approves El Campo Wind's application to reflect the location of its facility on the required map.

Signed at Austin, Texas the 15th day of April 2020.
