I wish to PROTEST the following proposed rate action/s:

☒ I wish to be a COMMENTER. I understand that: I am NOT a party to this case; my comments are not considered evidence in this case; and I have no further obligation to participate in the proceeding. Public comments may help inform the PUCT of the public concerns and identify issues to be explored. Please provide comments below. Attach a separate page, if necessary.

(1) The water rates proposed far exceed neighboring provider rates. (2) The system constantly fails to maintain water pressure and no preventative maintenance has been observed. (I can see the well property and activity from my home 1 block away). (3) Chlorine levels are very inconsistent as I have tested many times with a home test kit. (4) We purchase bottled water for our consumption due to the frequently high chlorine levels. (5) I question the condition of this system and the ability of the operator in providing quality and consistent service.

☐ I am requesting to INTERVENE in this proceeding. As an INTERVENOR, I understand that: I am a party to the case; I am required to respond to all discovery requests from other parties; I may be required to attend hearings, and if I file testimony, I may be cross-examined in the hearing; if I file any documents in the case, I must provide a copy to every other party in the case; and I acknowledge that I am bound by the Procedural Rules of the PUCT and the State Office of Administrative Hearings (SOAH).
