**APPLICATION OF CRYSTAL CLEAR § PUBLIC UTILITY COMMISSION  
WATER, INC. FOR AUTHORITY TO §  
CHANGE RATES § OF TEXAS**

**JOINT MOTION FOR EXTENSION OF TIME TO RESPOND  
TO COMMISSION COUNSEL'S MEMORANDUM**

COME NOW, Crystal Clear Water, Inc. (CCWI) and the Staff of the Public Utility Commission of Texas (Commission Staff), by and through their undersigned attorneys of record, and file this Joint Motion for Extension of Time to Respond to Commission Counsel's Memorandum (Joint Motion), and in support thereof, would respectfully show as follows:

**I. BACKGROUND**

On April 8, 2020, CCWI, a Class D utility, filed with the Commission its application for authority to change rates (the Application) under Texas Water Code (TWC) § 13.1872(c)(2). The Commission referred the Application to the State Office of Administrative Hearings (SOAH) on December 3, 2020. On July 15, 2021, all parties to the proceeding reached a unanimous agreement on rates and fees, and the mediators reported to the presiding SOAH Administrative Law Judge (ALJ) that the parties had reached an agreement in principle. CCWI, Commission Staff, and the intervenors, through their duly authorized representatives, then executed a Unanimous Stipulation and Settlement Agreement (the Settlement Agreement). The parties submitted a Joint Motion to Admit Evidence and Remand to the Public Utility Commission, including the Settlement Agreement and the agreed proposed Tariff, to SOAH on September 3, 2021. The SOAH ALJ issued Order No. 5 on September 7, 2021, admitting the Settlement Agreement and documents supporting the Settlement Agreement into evidence and remanding the case to the Commission.

On November 12, 2021, Commission Counsel filed a Memorandum (the Memo), identifying evidentiary issues regarding (i) the consolidation of the public water systems of

Lakeline Acres, Glenshores, Airport Addition, and Whispering Ridge under a single tariff; (ii) notice to the Office of Public Utility Counsel (OPUC); and (iii) whether CCWI has any affiliates. The Memo requests that CCWI identify or submit additional evidence to address these issues. On December 10, 2021, Commission Counsel extended the deadline to file a response to the memorandum to December 22, 2021. Thus, this Motion is timely filed.

## **II. JOINT MOTION FOR EXTENSION OF TIME**

CCWI and Commission Staff hereby request that they be granted a 31-day extension of time, until Friday, January 21, 2022 to respond to the Memo. Pursuant to 16 Tex. Admin. Code § 22.4(b), as long as the need for an extension is not caused by the party's neglect, indifference, or lack of diligence, it may request that the time allowed for filing any documents be extended for good cause. CCWI and Commission Staff are finalizing their joint response to the Memo and need additional time to ensure the responses are true and complete. Also, CCWI has reached out to OPUC regarding the Settlement Agreement and is working with OPUC and Commission Staff to make revisions to the Settlement Agreement and collect signatures. In light of the parties' limited availability during the holiday season, there is a need for additional time for each of the parties to review and sign the revised settlement documents.

## **III. CONCLUSION AND PRAYER**

Based on the foregoing, CCWI and Commission Staff respectfully request that the Commission grant a 31-day extension of time, until Friday, January 21, 2022, to respond to the Memo, and to grant all other relief as is necessary and property to effectuate the requests contained herein.

Respectfully submitted,
