**ORDER NO. 12
GRANTING MOTION TO INTERVENE AND
ADMITTING ADDITIONAL EVIDENCE**

On February 28, 2022, the Office of Public Utility Counsel (OPUC) filed an unopposed motion to intervene in this proceeding. Under Texas Water Code § 13.017(b) and 16 Texas Administrative Code § 22.103(b), OPUC has standing to intervene. OPUC represents that Crystal Clear Water, Inc., Commission Staff, Sam Wells (representative for the intervenors of the Airport water system), Pat Cauley (representative of the intervenors of the Glenshores and Lakeline Acres water systems), and Bryan Bronstad (representative of the intervenors of the Whispering Ridge water system) are unopposed. Accordingly, OPUC's motion to intervene is granted.

On March 7, 2022, Crystal Clear and Commission Staff filed, among other things, a motion to admit evidence in response to Commission Counsel's February 9, 2022 memorandum. On the same date, Crystal Clear, Commission Staff, OPUC, and intervenors filed a joint motion to admit additional evidence. The administrative law judge grants the motion and joint motion and admits the following additional evidence into the record of this proceeding:

1. The water systems facilities information, attachment A to Crystal Clear and Commission Staff's response to Commission Counsel's memorandum filed on March 7, 2022;
2. The affidavit of Robert Payne, attachment D to Crystal Clear and Commission Staff's response to Commission Counsel's memorandum filed on March 7, 2022; and
3. The revised unanimous stipulation and settlement agreement, exhibit 1 to the joint motion to admit evidence, including the revised joint proposed final order, agreed proposed tariff, and agreed list of assets, attachments A, B, and C to exhibit 1, filed on March 7, 2022.

Signed at Austin, Texas the 30th day of March 2022.
