**ORDER NO. 19
GRANTING EXTENSION AND AMENDING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's October 12, 2022 motion for extension of time. Commission Staff indicates it is still reviewing and seeking more information about Crystal Clear Water, Inc.'s application and is not yet ready to file an amended proposed order. Commission Staff requests additional time to file a joint amended proposed order. Commission Staff indicates that Airport Water System and the Glenshores and Lakeline Acres Water System do not oppose the extension, while Crystal Clear does oppose the extension. However, the parties have not reached an agreement on the amended proposed order. Order No. 17 filed on September 15, 2022, requires the parties to file an amended proposed order. Commission Staff states that the parties have not reached an agreement on the amended proposed order and are not prepared to file a joint amended proposed order.

The administrative law judge grants the extension and amends the procedural schedule as follows:

Event	Date
Deadline for parties to file a joint amended proposed order	November 30, 2022

Signed at Austin, Texas the 13th day of October 2022.
