**ORDER NO. 21  
GRANTING EXTENSION AND AMENDING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's November 30, 2022 motion for extension of time. As the parties are still negotiating and trying to reach a resolution, Commission Staff requests additional time to file a joint amended proposed order. Commission Staff indicates that Office of Public Interest Counsel, Crystal Clear Water, Inc., and Airport Water System do not oppose the extension. Commission Staff has been unsuccessful in reaching and the Glenshores and Lakeline Acres Water Systems regarding the extension. The representative for the remaining intervenor, Whispering Ridge Water System, has moved from the neighborhood and is no longer representing the subdivision, and Whispering Ridge has not named a replacement representative.

The administrative law judge grants the extension and amends the procedural schedule as follows:

<b>Event</b>	<b>Date</b>
Deadline for parties to file a joint amended proposed order	January 31, 2023

**Signed at Austin, Texas the 1st day of December 2022.**
