COMMISSION STAFF’S REQUEST FOR EXTENSION

I. INTRODUCTION

On April 8, 2020, Crystal Clear Water, Inc. (Crystal Clear) filed a Class C Rate Change Application with the Public Utility Commission of Texas (Commission), for service provided in Bosque County under Certificate of Convenience and Necessity (CCN) No. 12997.

On February 16, 2023, the administrative law judge (ALJ) filed Order No. 24, directing parties to file an amended proposed order by February 22, 2023. Therefore, this pleading is timely filed.

II. REQUEST FOR EXTENSION

Under 16 Texas Administrative Code (TAC) § 22.4(b), upon request, the time allowed for filing any documents may be extended for good cause. As mentioned in Staff’s previous Request for Extension, parties have reached a tentative settlement. However, due to issues involving communicating with all the intervenors along with complications due to the shortened work week, parties need more time to finalize the settlement agreement. Accordingly, Staff respectfully requests that the deadline to file an amended proposed order be extended to March 3, 2023. Staff has conferred with counsel for the Office of Public Interests Counsel and counsel for Crystal Clear and is authorized to represent they support the proposed extension request.

III. CONCLUSION

For the reasons detailed above, Staff respectfully requests that the deadline to file an amended proposed order or provide a status update be extended to March 3, 2023.

Date: February 21, 2023

Respectfully submitted,
