No improvements made. Leaks not repaired in years. Bleach sent thru system often. Cut-off back up water supply that previously owner used. An increase from 57.75 to 134.57 is ridiculous. About 2 1/2 times current rate. We just need a better owner that will take care of the system.

☐ I am requesting to INTERVENE in this proceeding. As an INTERVENOR, I understand that: I am a party to the case; I am required to respond to all discovery requests from other parties; I may be required to attend hearings, and if I file testimony, I may be cross-examined in the hearing; if I file any documents in the case, I must provide a copy to every other party in the case; and I acknowledge that I am bound by the Procedural Rules of the PUCT and the State Office of Administrative Hearings (SOAH).
