**PUBLIC UTILITY COMMISSION**

**OF TEXAS**

**APPLICANTS LAKESIDE MUNICIPAL UTILITY DISTRICT NO. 3 AND MANVILLE  
WATER SUPPLY CORPORATION'S MOTION SUBMITTING CONSENT FORMS**

**TO THE PUBLIC UTILITY COMMISSION OF TEXAS:**

Lakeside Municipal Utility District No. 3 ("Lakeside MUD No. 3") and Manville Water Supply Corporation ("Manville WSC") (collectively, "Applicants") file this motion submitting consent forms, and in support thereof, show the following:

**I. BACKGROUND**

On April 8, 2020, Lakeside MUD No. 3 filed an application to decertify the portion of Manville WSC's water CCN located within the boundaries of Lakeside MUD No. 3 in Travis and Williamson Counties.

On July 7, 2020, Applicants filed an amended application to decertify the portion of Manville WSC's water CCN located within the boundaries of Lakeside MUD No. 3 in Travis and Williamson Counties, which included Manville WSC as an applicant (the "Application").

On August 19, 2020, Order No. 5 was issued finding the Application administratively complete, and requiring Applicants to provide notice of the Application as described in the August 18, 2020 memorandum of Jolie Mathis, filed by Commission Staff on August 18, 2020. Order No. 5 further required that by September 17, 2020, Applicants file with the Commission signed affidavits that such notice was given along with a copy of the notice sent to the affected parties and published in a newspaper of general circulation, and publisher's affidavits.

On September 17, 2020, Applicants filed signed affidavits that notice of the Application was given along with a copy of the notice sent to the affected parties and published in a newspaper of general circulation, and publisher's affidavits.

On September 28, 2020, Order No. 6 was issued finding the notice of the Application sufficient, and requiring that, by November 23, 2020, Applicants file with the Commission consent forms signed

by Applicants consenting to the amended CCN and CCN map as provided by Commission Staff. This pleading, therefore, is timely filed.

## **II. SUBMISSION OF CONSENT FORMS**

Applicants hereby submit to the Commission (1) the signed consent form from Manville WSC, attached as **Exhibit “A”**; and (2) the signed consent form from Lakeside MUD No. 3, attached as **Exhibit “B”**, both consenting to the amended CCN and CCN map as provided by Commission Staff.

## **III. CONCLUSION**

Applicants respectfully request that the Court find that the consent forms submitted have been properly completed and executed and that all preconditions have been met to amend the CCN to decertify the portion of Manville WSC’s CCN located within the boundaries of Lakeside MUD No. 3, as requested by Applicants in the Application.

Dated: November 23, 2020

Respectfully submitted,

ARMBRUST & BROWN, PLLC
