The undersigned ratepayers of Windermere Oaks Water Supply Corporation hereby appeal the decision of the board of directors of the Corporation affecting the rates charged to them by Windermere Oaks Water Supply Corporation. The rate change is effective March 23, 2020. On February 11, 2020, the ratepayers were notified by the service provider of a water rate increase. The old rate charged by the service provider was \$50.95 Base Rate / Service Availability Charge for Water Service of a 5/8" x 3/4" meter and the new rate of \$90.39 Base Rate / Service Availability Charge for Water Service for a 5/8" x 3/4" meter. Larger size meters base rates were not published in the letter or in the revised tariff. Additionally, On February 11, 2020, the ratepayers were notified by the service provider of a sewer rate increase. The old rate charged by the service provider was \$40.12 Base Rate / Service Availability Charge for Sewer Service of a 5/8" x 3/4" meter and the new rate of \$66.41 Base Rate / Service Availability Charge for Sewer Service for a 5/8" x 3/4" meter.
