**ORDER NO. 4
ADMITTING EVIDENCE AND DENYING MOTIONS TO STRIKE**

This Order addresses Windermere Oaks Water Supply Corporation’s motion to admit evidence and the Ratepayers of Windermere Oaks WSC’s (Ratepayers) motions to strike.

I. Admitting Evidence

On May 25, 2022, Windermere Oaks WSC filed a motion to admit evidence. On June 2, 2022, Ratepayers filed its response to the motion to admit evidence.

The administrative law judge (ALJ) grants the request and admits as evidence in the record of this proceeding the fourth supplemental direct testimony of Jamie L. Mauldin, on behalf of Windermere Oaks WSC, filed on May 25, 2022.

II. Denying Motions to Strike

On May 25, 2022, the “WOWSC tap owners” filed a letter in support of the proposal for decision. On June 2, 2022, Ratepayers filed a response and motion to strike the May 25, 2022 letter.

On June 7, 2022, the Texas Rural Water Authority filed a letter in support of the proposal for decision. On June 9, 2022, Ratepayers filed a response and motion to strike the June 7, 2022 letter.

No party has requested these letters be admitted as evidence in the record of this proceeding, nor have they been admitted. Therefore, under Texas Rule of Evidence 103(a)(1)(A), the motions to strike are premature. Accordingly, the ALJ denies the motions to strike.

Signed at Austin, Texas the 15th day of June 2022.
