All pleadings and other documents should be served upon TIEC's authorized representatives.

2. TIEC is an association of industrial consumers of electricity, and TIEC's principal purpose is to address electricity matters in proceedings before the Commission. TIEC members for this case include Marathon Petroleum Corporation.

3. On May 1, 2020, El Paso Electric Company ("EPE") filed an application for approval to revise its Energy Efficiency Cost Recovery Factor ("EECRF") and request to establish a revised cost cap.

4. Because TIEC member companies own and operate industrial facilities in the EPE service territory and purchase electricity from EPE, TIEC members will be impacted by any determinations the Commission may make regarding EPE's application.

For the above stated reasons, TIEC respectfully requests that the Commission grant this Motion to Intervene and admit TIEC as an intervenor in this proceeding for all purposes, and for such other relief to which it may be justly entitled.

Respectfully submitted,
