**NOTICE, AND ESTABLISHING A PROCEDURAL SCHEDULE**

This Order addresses the administrative completeness of the application of West Harrison Water Supply Corporation to amend its water certificate of convenience and necessity number 12728 in Harrison County.

The administrative law judge finds the application, as supplemented, administratively complete and directs West Harrison to provide notice of the application as described in the June 8, 2020 memorandum of Jolie Mathis, using the included forms.

The following procedural schedule applies:

Event	Date
Deadline for West Harrison to provide the information required by Order No. 1	July 8, 2020 <sup>1</sup>
Deadline for West Harrison to file with the Commission signed affidavits that notice was given along with a copy of the notice sent to the affected parties and published in a newspaper of general circulation	July 22, 2020
Deadline for Commission Staff to file a recommendation on sufficiency of notice	August 5, 2020
Deadline to intervene	30 days after notice is issued

---

<sup>1</sup> Commission Staff recommended this deadline because West Harrison has not yet made a filing responsive to Order No. 1; however, Commission Staff recommended that the missing filing not delay a finding of sufficiency.
