Public Utility Commission of Texas,

Manville Water Supply Corporation has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity (CCN) No.11144 for the provision of retail Water utility service in Lee and Williamson Counties.

This area includes my property, Lee CAD Property ID:17001, A254 PRUITT, E., TRACT 003 comprising of 116.34 acres. I would like to OPT OUT of this requested area.

I was unable to find a survey including Metes and Bounds. I called PUC at (888)782-8477 and spoke with a customer service representative named Henry Garza. I explained the situation to him and let him know that I could order a new survey done if needed. Mr Garza suggested that I include with this letter as much information regarding this property as I have, and that if further information is required I will have time to produce it and still be considered to have filed my Opt Out request within the required 30 days from the date of the notice of the application to amend CCN No.11144.

I have a Plat of the of the Jeptha Boyce Survey dated Oct 30, 1956, which includes my property. I have scanned it in sections and included copies of it. I am also including my most recent tax receipt from Lee County Tax Assessor and Collector for this property, as well as the General Warranty Gift Deed from the conveyance of this property dated March 24, 2014.

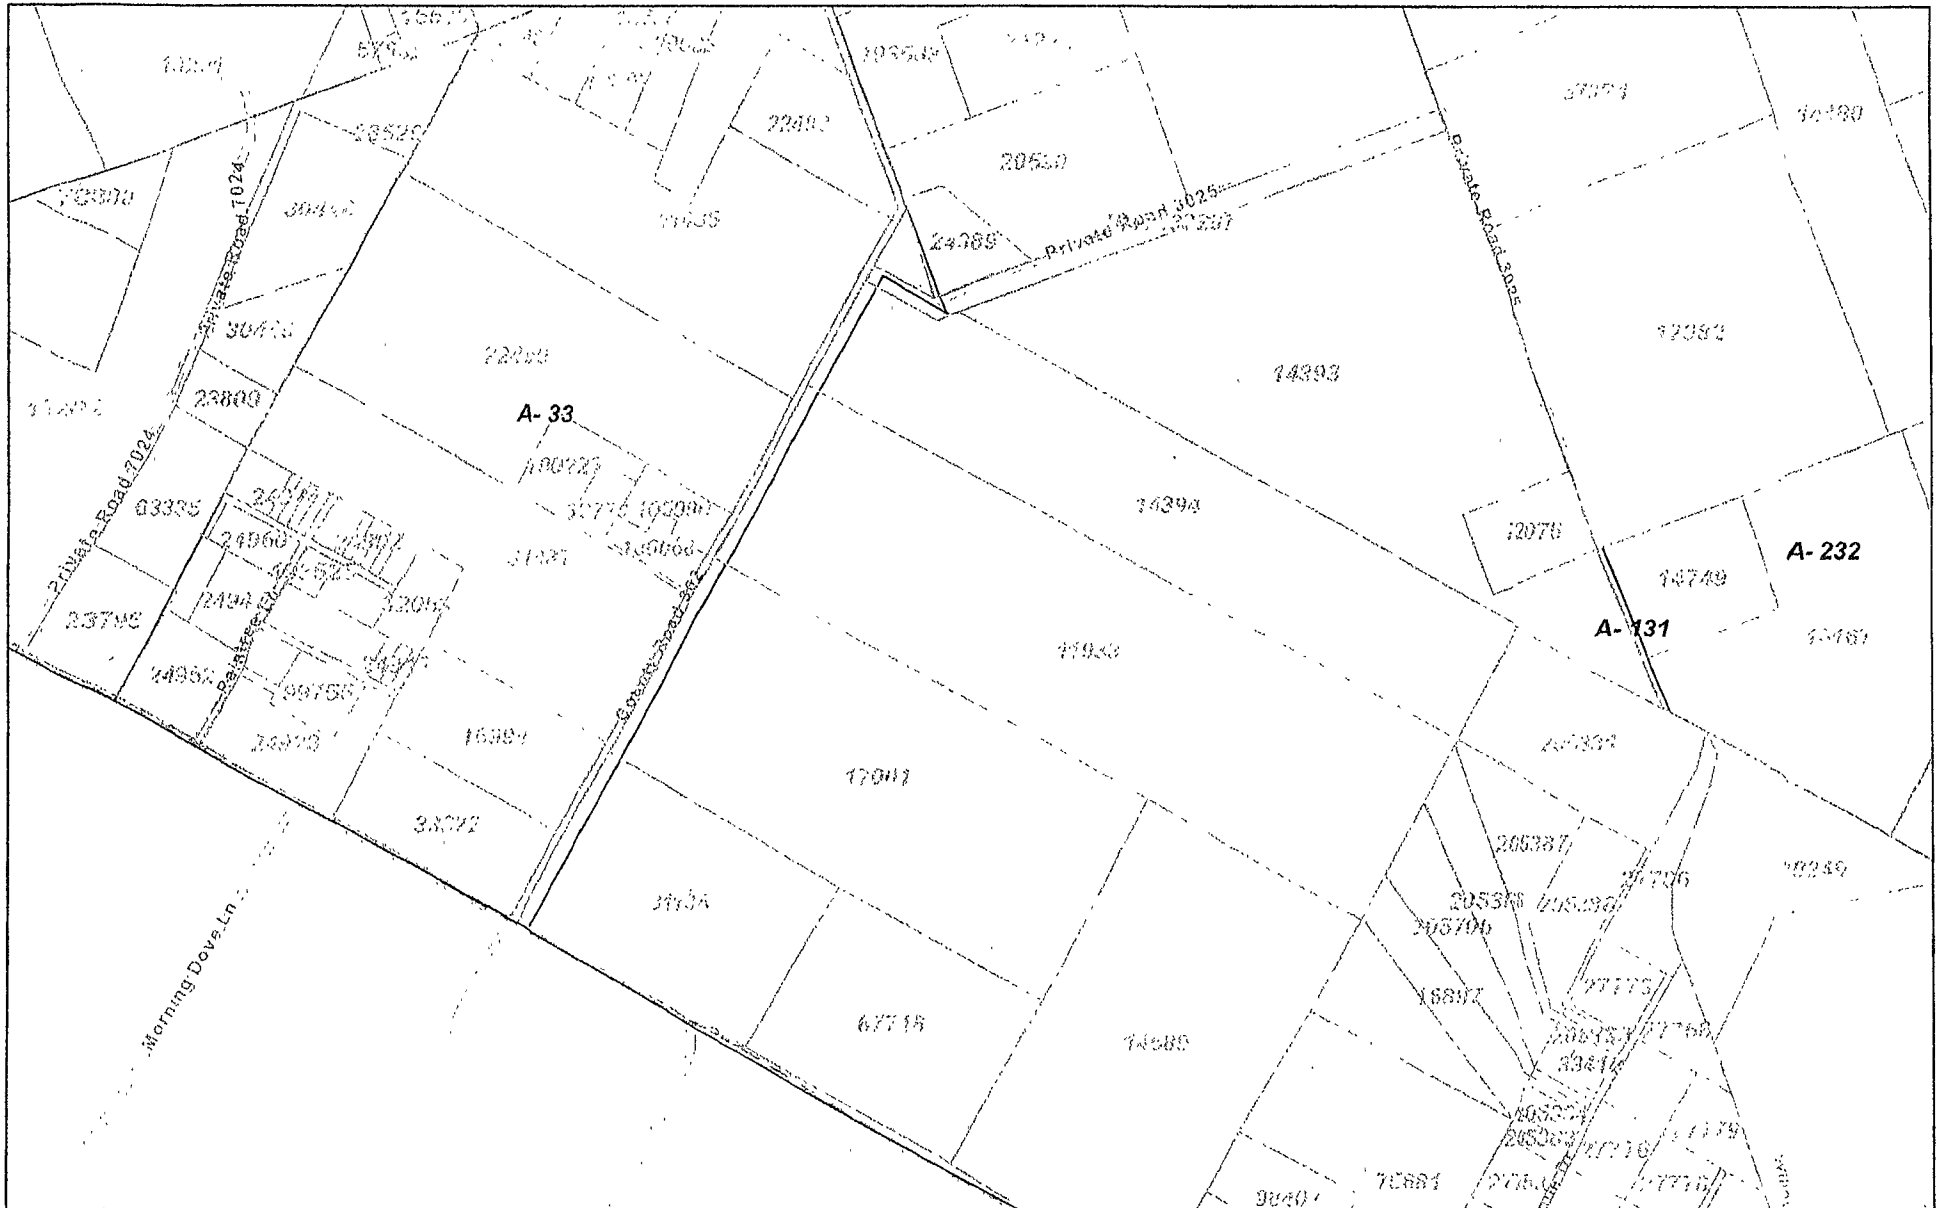

If further information is required for this Opt Out request, please let me know.
