COMMISSION STAFF'S MOTION TO AMEND THE PROCEDURAL SCHEDULE

On May 18, 2020, Manville Water Supply Corporation (Manville WSC) filed an application to amend its water certificate of convenience and necessity (CCN) No. 11144 in Lee and Williamson Counties. The requested service area consists of 9,322 acres and 54 customer connections. The Staff of the Public Utility Commission of Texas (Staff) is reviewing Manville WSC's response to Staff's second request for information (RFI). Based on Staff's initial review of the response, Staff tentatively believes that Manville WSC has not shown a need for service for the whole requested area.

On January 27, 2021, Order No. 6 was filed, which established a deadline of March 1, 2021 for Staff to provide final maps, certificates, and tariffs (if applicable) to Manville WSC for review and consent. Therefore, this pleading is timely filed.

I. REQUEST FOR AMENDED PROCEDURAL SCHEDULE

Staff requests additional time to review Manville WSC's response to Staff's second RFI and to work with Manville WSC on a possible reduction to the requested area such that it excludes area where there is no need for service. Therefore, Staff proposes the following amended procedural schedule.

| Event | Date |
|---|----------------|
| <i>If Manville WSC has not demonstrated need for service in the whole requested area</i> | |
| Deadline for Manville WSC to amend its application and provide amended maps | April 12, 2021 |
| Deadline for Staff to file comments on the sufficiency of Manville WSC's amended application and amended maps and proposed a procedural schedule for continued processing of the docket | April 30, 2021 |
| <i>If Manville WSC has demonstrated a need for service in the whole requested area</i> | |

| | |
|--|----------------|
| Deadline for Staff to provide final maps, certificates, and tariffs (if applicable) to Manville WSC for review and consent | April 15, 2021 |
| Deadline for Manville WSC to file its signed consent form with the Commission | April 29, 2021 |
| If no hearing is requested, deadline for Staff to file a final recommendation on the application | May 6, 2021 |
| If no hearing is requested, deadline for parties to file joint proposed findings of fact and conclusions of law | May 13, 2021 |

II. CONCLUSION

For the reasons discussed above, Staff respectfully requests that the proposed procedural schedule be adopted.

Dated: February 26, 2021

Respectfully submitted,
