PUBLIC UTILITY COMMISSION

OF TEXAS

ORDER NO. 4  
GRANTING INTERVENTION

This Order addresses the City of Houston’s June 26, 2020, motion to intervene in the above-styled and numbered docket. The City of Houston states a justiciable interest in the outcome of this case because a portion of the facilities are located with the City of Houston, which request could affect the rates, operations, and services for water and sewer utility customers within the City of Houston.

The City of Houston presented a justiciable interest in the outcome of this proceeding. No party objected to the City of Houston’s motion. Accordingly, the administrative law judge grants the motion.

For service of pleadings, the service list in this proceeding is available from the Public Utility Commission of Texas by calling (512) 936 7200 and requesting a copy of the service list in Docket No. 50895. **Service of pleadings is typically governed by 16 TAC § 22.74. However, the Commission has issued an Order Suspending Rules, which has suspended certain service requirements found in 16 TAC § 22.74. Accordingly, a filing party must provide notice by e-mail of any pleading or document filed. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.**

All parties must provide their current address, **e-mail address**, telephone and fax numbers, if available, to all other parties and the Commission by filing and serving all parties with such information. Each party must provide the Commission and all parties with updated address, **e-mail address**, telephone, and fax information if such information changes. The **e-mail addresses**, telephone and fax numbers will be placed on the service list for the convenience of the parties. Parties are responsible for updating their own service lists to reflect changed information and the addition of any other parties.

Filing of pleadings is typically governed by 16 TAC § 22.71. However, the Commission has issued an Order Suspending Rules, which has suspended certain filing requirements found in 16 TAC § 22.71. As long as the Order Suspending Rules remains in effect, all parties must file any pleading or document with the Commission solely through the Interchange on the Commission's website (<https://interchange.puc.texas.gov/filer>) and provide notice, by e-mail, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.
