**ORDER NO. 9
GRANTING EXTENSION, GRANTING WAIVER, AND AMENDING DEADLINES**

This Order addresses the City of Pflugerville's first unopposed request for extension and waiver filed on January 25, 2021. Pflugerville requests an extension of the deadline to file proof of notice to allow for additional time to confer with Commission Staff on mapping information.

Additionally, Pflugerville requests a waiver for good cause of the notices to cities, districts, and neighboring utilities under 16 Texas Administrative Code (TAC) § 24.235(b)(1) on the basis that the uncertificated areas identified by Commission Staff are wholly within the corporate boundaries of Pflugerville and can therefore can be and already are being served by Pflugerville. Pflugerville states that notices to surrounding cities, districts, and utilities administratively unnecessary and burdensome. In the alternative, pursuant to 16 TAC § 24.239(c)(3), Pflugerville requests to publish notice in lieu of individual notice.

Pflugerville represents that Commission Staff and Manville Water Supply Corporation are supportive of the requested extension and waiver.

The administrative law judge (ALJ) grants the waiver and directs Pflugerville to provide notice of the application via published notice in lieu of individual notice.

The ALJ judge grants the extension and amends the procedural schedule for continued processing, as follows:

Event	Date
Deadline for Pflugerville to file with the Commission signed affidavits that the notice was provided and published in a newspaper of general circulation, along with a copy of the notice and map sent to the affected parties	February 10, 2021
Deadline for Staff to file a recommendation on sufficiency of notice and propose a supplemental procedural schedule	February 17, 2021
Deadline to intervene	Thirty (30) days after notice is issued

Signed at Austin, Texas the 26th day of January 2021.
