RE: PUC Docket No. 50914 APPLICATION OF HILCO UNITED SERVICES, INC. DBA HILCO H2O FOR
TEMPORARY RATES FOR A NONFUNCTIONING UTILITY

HILCO United Services, Inc. ("HILCO") respectfully requests an extension to July 31, 2020 to provide the documents and information required in the Commission Staff's Recommendation on Administrative Completeness and Notice filed on July 9, 2020. The original documents that listed the requirements and deadlines were forwarded to our previous President who retired on June 30, 2020. The new President of HILCO United Services, Inc. did not receive the filed documents and was not aware of the deadlines. Commission Staff contacted our office today and made us aware of the requirements. We are gathering the information now.

Please remove Debra Cole as the contact for HILCO and add Thomas Cheek as the new President. His contact information is (254) 687-2331 extension 1169 or tcheek@hilco.coop. I may be reached at extension 1121 or pfarquhar@hilco.coop. Thank you for your time and attention to this matter.

Sincerely,

Paula Farquhar
Secretary
