WORKS, LLC FOR AUTHORITY TO  
CHANGE RATES

§  
§  
§

PUBLIC UTILITY COMMISSION  
OF TEXAS

**ORDER NO. 2  
FINDING APPLICATION INCOMPLETE AND ESTABLISHING  
OPPORTUNITY TO CURE; SUSPENDING EFFECTIVE DATE**

This Order addresses the June 16, 2020 application filed by Trent Water Works, LLC to change rates. On July 16, 2020, Commission Staff filed comments on the administrative completeness of the application and proposed notice.

The Commission finds the application incomplete and deficient. The Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before September 13, 2020 Trent Water Works must supplement the application to cure the deficiencies as described in the July 16, 2020 memoranda from Heidi Graham. Until the Commission receives and reviews the supplemental information, the application cannot proceed. Trent Water Works may not re-issue notice until the application is administratively complete.

On or before October 12, 2020, Commission Staff must file a supplemental recommendation regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Under Texas Administrative Code § 24.33(b)(1), the effective date of the proposed rate change is suspended until a properly completed application is accepted.
