RE: Notice of Withdrawal of Application

To The Public Utilities Legal Division:

Trent Water Company, LLC (Trent) (Applicant), notifies the Public Utility Commission of Texas (PUC) that it hereby withdraws its Application of Trent Water Works, LLC for authority to change rates.

On June 16, 2020, Trent, CCN No 11050, filed an application for a Class C rate change. At the time we did not realize we were out of the mandated time frame of 12 months from the last day of the test year.

We respectfully request the withdrawal be accepted.

Respectfully,
