Company Name

CCN Number(s)

has filed a rate change application with the Public Utility Commission of Texas (Commission or PUCT). The application may be reviewed online at interchange.puc.texas.gov. You may also inspect a copy of the rate change application at your utility's office at the address below or at the Commission's office (1701 N. Congress Ave, Austin, TX 78701). The proposed rates will apply to service received after the effective date provided below, unless modified or suspended by the Commission. If the Commission receives a sufficient number of protests, separately or in a combined protest letter, from at least 2,946 ratepayers (10 percent of the utility's customers over whose rates the Commission has original jurisdiction) or from any affected municipality before the 91st day after the proposed effective date, the matter will be set for hearing. **See Protest Form on the next page for instructions on how to protest.**

EFFECTIVE DATE OF PROPOSED INCREASE: August 19, 2020

(must be at least 35 days after notice is provided to customers and 35 days after application is filed)

(Proposed rates requested by the utility are not final. The Commission may modify the rates and order a refund or credit against future bills all sums collected during the pendency of the rate proceeding in excess of the rate finally ordered plus interest.)

Reason(s) for Proposed Rate Change:

The main reason for the proposed rate change is to recover capital investments of over \$35.1 million Monarch has spent over the past four-and-a-half years to maintain and improve its systems in order to provide quality water and wastewater service to customers.

Dear Monarch

You have got to be insane to request a rate increase of the size set out.

I live in a trailer in Briarwood Bay. My last bill was \$70. True I do water my flowers 2 times a week. Also wash 2 loads of wash each week.

Just so you know your water has a terrible taste. We can't drink it or fix tea or coffee. So we buy water.

Just so you know I've not seen you out here making improvements. Did you forget that when you move in a new trailer the owner NOT you bear the cost of getting water service in. Oh sure you furnish the pipes & the lines. And don't forget the meter you furnish that you then use to charge us every month.

over

I would like to see the billing for us to actually pay for the water we use, It's unfair to charge a base rate.

	House 1	H2	H3	H4
Example	900gal	500gal	1000gal	2000g

So now we get charged for a base rate or you want to increase that base rate.

NO HELL NO
