\$124.56 is The Water and Sewer Base Combine before you even turn your water on, this is absolutely totally ridiculous, and now you want raise the base rate!! If you water your yard any at all you are looking at a minimum of \$400 to \$600 hundred dollar water bill. I think its about time to start looking out for the citizen of Texas, Instead of the Big Corporations, is that not way we elected our government officials or not?
