APPLICATION OF MONARCH § BEFORE THE STATE OFFICE
UTILITIES I, L.P. TO CHANGE RATES § OF
FOR WATER AND SEWER SERVICE § ADMINISTRATIVE HEARINGS

SOAH ORDER NO. 10
CONTINUING ABATEMENT

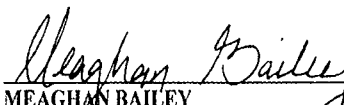

On May 28, 2021, Monarch Utilities I, L.P., the staff of the Public Utility Commission of Texas (Commission), and the Office of the Public Utility Counsel (collectively, the Parties) submitted a Joint Status Update reporting that they are in “the endmost stages of finalizing a settlement package,” which they expect to complete and file no later than June 17, 2021. In order to allow them to complete this process, the Parties request that this proceeding remain abated.

The Administrative Law Judges (ALJs) find that this request has merit. Accordingly, this proceeding shall remain **ABATED**. It is further **ORDERED** that, if no settlement agreement is filed by June 17, 2021, the Parties shall file a further joint status update, **no later than July 1, 2021**, describing the status of the Parties’ settlement negotiations and providing an estimated timeframe of when the Parties will file their joint settlement agreement, proposed order, and motion to remand the proceeding to the Commission.

SIGNED June 4, 2021.
