**ORDER NO. 2  
FINDING APPLICATION INSUFFICIENT AND  
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the application filed on June 18, 2020 by the City of Dripping Springs to amend its certificates of convenience and necessity in Hays County.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before September 4, 2020, Dripping Springs must supplement the application to cure the deficiencies described in the memorandum of Jolie Mathis dated July 20, 2020, attached to Commission Staff's recommendation on administrative completeness. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before October 2, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 31<sup>st</sup> day of July 2020.
