**COMMISSION STAFF'S CORRECTION TO THE PROPOSED ORDER**

On January 12, 2021, the Office of Policy and Docket Management issued a Proposed Order to be considered at the open meeting scheduled for February 12, 2021 and directed the parties to file corrections or exceptions to the Proposed Order on or before February 1, 2021. Therefore, this pleading is timely filed.

**I. STAFF'S PROPOSED CORRECTION**

**Finding of Fact No. 14**

Staff of the Public Utility Commission of Texas (Staff) respectfully proposes modification of Finding of Fact No. 14. The finding of fact erroneously excludes customer service inspection costs from the included costs of the installation fee an applicant must pay for service according to Section G of Ross Water Supply Corporation's (Ross WSC) tariff. Accordingly, Staff recommends Finding of Fact No. 14 be modified as follows:

14. Section G of Ross WSC's tariff further specifies that the installation fee that must be paid by an applicant for service includes all labor, materials, administrative, engineering, customer service inspection, and legal costs necessary for Ross WSC to provide water service.

**II. CONCLUSION**

Staff respectfully requests the adoption of the correction proposed above.

Dated: February 1, 2021

Respectfully submitted,
