<b>APPLICATION OF NERRO SUPPLY, LLC AND UNDINE TEXAS, LLC FOR SALE, TRANSFER OR MERGER OF FACILITIES AND CERTIFICATE RIGHTS IN CHAMBERS, HARRIS AND LIBERTY COUNTIES</b>	<b>§ § § § § § §</b>	<b>PUBLIC UTILITY COMMISSION       OF TEXAS</b>
--	--	---

**APPLICANTS’ REQUEST FOR APPLICATION MODIFICATION AND SUBMITTAL  
OF SUPPLEMENTAL MAPPING INFORMATION**

COME NOW Undine Texas, LLC (“Undine”) and Nerro Supply, LLC (“Nerro,” and collectively with Undine, the “Applicants”) and file this Request for Application Modification.

On June 19, 2020, the Applicants filed the referenced application for the transfer of four water systems: Maple Leaf Mobile Home Subdivision, Oakland Village Mobile Home Community, Riverwood Estates, and Woodland Acres Subdivision. On September 24, 2020, the Administrative Law Judge (“ALJ”) issued Order No. 3 finding the application administratively complete. On January 21, 2021, the ALJ issued Order No. 5 finding the notice sufficient and establishing a procedural schedule. On April 8, 2021, the ALJ issued Order No. 8 granting the joint motion to admit the evidence of the Applicants and Commission Staff filed on March 18, 2021. On April 12, 2021, the ALJ issued Order No. 9 approving the sale and transfer to proceed.

Since the April 12, 2021 Order, the Applicants have been working diligently to close the transaction. Based on circumstances the Applicants are unable to resolve, the Applicants find it necessary to withdraw two of the four systems from the transaction—the Maple Leaf Mobile Home Subdivision system and the Oakland Village Mobile Home Community system. The Applicants hereby request approval from the ALJ to proceed forward with the current application as modified to remove the Maple Leaf Mobile Home Subdivision system and Oakland Village Mobile Home Community system from the application and leaving the Riverwood Estates system and the

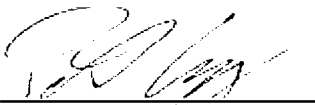

Woodland Acres Subdivision system as part of the application. The Applicants have agreed with Commission Staff to resubmit the Joint Motion to Admit Evidence and Proposed Order filed on March 18, 2021 to reflect the removal of the Maple Leaf Mobile Home Subdivision system and the Oakland Village Mobile Home Community system from the application. The Applicants do not consider that any additional procedural steps, including further notice, are necessary to accomplish this revision to the application, since the effect of the revision is to reduce the size of the impacted area and to reduce the number of customers affected by the application.

The Applicants are providing with this filing the new mapping data reflecting the two systems that will remain in the application. The Applicants request that the ALJ establish a deadline for Commission Staff to file a supplemental recommendation on the sufficiency of the mapping data provided with this filing and a recommendation on the transaction as modified.

The Applicants have consulted with Commission Staff on this request, and they have stated they have no objection to the request.

Respectfully submitted,

**DuBois, Bryant & Campbell, LLP**
