ORDER NO. 12
RESCINDING ORDER NO. 8 AND ESTABLISHING PROCEDURAL
SCHEDULE FOR MODIFIED APPLICATION

This Order addresses the November 29, 2021 request by Nerro Supply, LLC and Undine Texas Environmental, LLC to modify the existing application. Specifically, applicants state, since the filing of Order No. 8 on February 11, 2021, which approved the sale and transfer to proceed, applicants have been working diligently to close the transaction. However, based upon circumstances unable to be resolved, the applicants find it necessary to withdraw the Maple Leaf Gardens wastewater system from this application. For this reason, the applicants request approval to proceed with a modified application in which only the Woodland Acres wastewater system is the only water system sought for sale and transfer in this case. Applicants represent that Commission Staff is not opposed to the request.

The administrative law judge grants applicants' request to modify the existing application and, in light of that modification, rescinds Order No. 8, approving the sale and transfer to proceed, and rescinds the finding of the application's administrative completeness in Order No. 3, filed September 23, 2020. Additional proof of notice, however, is not required, providing the proposed modification to the application only removes and does not add any land, rights, or facilities to the proposed transaction.

The following procedural schedule is established for continued processing of the modified application:

Event	Deadline
Deadline for Commission Staff to file a supplemental recommendation on the sufficiency of the modified application	December 13, 2021
Deadline for Commission Staff to request a hearing or file a recommendation on approval of the sale and CCN amendments	December 22, 2021

Deadline for applicants to file a response to Commission Staff's recommendation on approval of the sale and CCN amendment	January 10, 2022
Deadline for parties to file a joint motion to admit evidence and proposed order approving sale and allowing the transaction to proceed	January 28, 2022

Signed at Austin, Texas the 2nd day of December 2021.
