**ORDER NO. 2  
FINDING APPLICATION INCOMPLETE AND DEFICIENT,  
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the June 19, 2020, application of Nerro Supply Investors, LLC and Undine Texas, LLC for approval of the sale, transfer, or merger of facilities and certificate rights in Montgomery County and the sufficiency of the application.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before August 20, 2020, the applicants must supplement the application to cure the deficiencies as described in the July 20, 2020 memorandum of Alicia Maloy. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before September 18, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
