**ORDER NO. 9
GRANTING ABATEMENT**

This Order addresses Nerro Supply Investors, LLC and Undine Texas, LLC's application for approval of the sale, transfer, or merger of facilities and certificate rights and Commission Staff's request for abatement.

On February 9, 2021, Commission Staff moved to abate this proceeding. Commission Staff states that abatement of this proceeding is necessary because the applicants need additional time to work through issues before proceeding with the consummation of the proposed transaction. Commission Staff and Undine agreed to a day-for-day extension of the 120-day deadline under 16 Texas Administrative Code § 24.239(a) for as long as the abatement last.

The administrative law judge grants the motion and the proceeding in this docket is abated. On or before March 19, 2021, the parties must file a report on the status of this docket and propose a procedural schedule, if appropriate.

Signed at Austin, Texas the 19th day of February 2021.
