Re: Docket # 50963 – Extension Request for Application to Amend Water and Sewer CCN for City of McGregor (CCN 10033, 20009)

Dear Administrative Reviewer:

This letter is in reference to Order No. 6 issued by the Commission for Docket #50963. Order No. 2 requires the applicant to respond to the Commission on or before November 5, 2020 with the requested supplemental information.

The applicant submitted an extension request to the deadline for submitting the information requested in Order No. 2. This extension request was approved by the Commission and Orders No. 4, No. 5, and No. 6 were issued granting a deadline extension to February 5, 2021 and revised the Commission's review deadline to March 5, 2021.

The applicant respectfully requests that the revised deadline provided in Order No. 6 be extended until March 5, 2021 to allow applicant additional time to gather the requested information and documentation. Additionally, the applicant requests that the review deadline for Commission Staff be extended from March 5, 2021 to April 9, 2021. The applicant is involved in continuous negotiations with other interested parties, and is in the process of amending the application for resubmittal and review. The applicant has conferred with Commission Staff regarding this request for extension, and Commission Staff is unopposed to the request.

Sincerely,

Jacob R. Hinson, P.E.
Project Engineer
