**COMMISSION STAFF’S SUPPLEMENTAL RECOMMENDATION ON  
ADMINISTRATIVE COMPLETENESS OF THE APPLICATION AND  
PROPOSED PROCEDURAL SCHEDULE**

On June 22, 2020, City of McGregor (McGregor) filed an application to amend its certificate of convenience and necessity (CCN) Nos. 10033 and 20009 and for dual certification with the City of Waco’s CCN Nos. 10039 and 20010 in McClennan County, Texas. The requested service area consists of 23 acres and 47 proposed connections for a phase I development within McGregor’s corporate limits and within the water and sewer CCN boundaries of the City of Waco. McGregor also seeks dual certification with the City of Waco for the requested area. McGregor filed supplements to the application on July 10, 2020, August 12, 2020, August 25, 2020 and November 5, 2020.

On August 17, 2021, the administrative law judge (ALJ) filed Order No. 11, establishing a deadline of November 5, 2021 for the Staff of the Public Utility Commission of Texas (Staff) to file a supplemental recommendation on the administrative completeness of the application and propose a procedural schedule. Therefore, this pleading is timely filed.

**I. ADMINISTRATIVE COMPLETENESS**

To date, McGregor has not filed supplemental information to cure deficiencies set out in Staff’s recommendation of October 5, 2020. Staff recommends that McGregor be ordered to cure the deficiencies identified in Ms. Mathis’ memorandum by December 6, 2021, and that Staff be given a deadline of January 5, 2022, to file a supplemental recommendation on the administrative completeness of the application or motion to dismiss. Staff notes that McGregor should not issue notice until the application is found administratively complete.

## II. COMMENTS ON PROCEDURAL SCHEDULE

In accordance with Staff's deficiency recommendation, Staff does not propose a procedural schedule for further processing of this docket at this time. Staff intends to propose a procedural schedule alongside a subsequent recommendation for application sufficiency.

## III. CONCLUSION

For the reasons discussed above, Staff respectfully recommends that the application, as supplemented be found administratively incomplete at this time and that McGregor be ordered to file a supplement addressing the identified deficiencies in the application by December 6, 2021.

Dated: November 5, 2021

Respectfully submitted,
