ORDER NO. 12
FINDING APPLICATION REMAINS INSUFFICIENT AND
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the administrative completeness of the City of McGregor's application filed on June 22, 2020, and supplements thereto filed on July 10, August 12, and August 25, 2020, and November 5, 2020.

The administrative law judge finds the application remains administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b). Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

To date, the City of McGregor has not filed supplemental information to cure the deficiencies identified by Commission Staff. On or before December 6, 2021, the City of McGregor must supplement the application to cure the deficiencies described in the memorandum of Jolie Mathis, dated October 5, 2020. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before January 5, 2022, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule or a motion to dismiss this proceeding.

Signed at Austin, Texas the 9th day of November 2021.
