Re: Docket # 50963 – Response to Request for Information: Questions Nos. Staff 1-1 Through Staff 1-2

Dear Administrative Reviewer:

This letter is in reference to Request for Information Questions Nos. Staff 1-1 through 1-2 issued by the Commission for Docket #50963. The order requests that the Applicant provide the supplemental information identified to cure the application deficiencies as outlined by Commission Staff

The following are the Applicant's responses to the questions provided by the Commission:

Staff 1-1

A list of facility improvements and related cost required for the Applicant to provide water service to the requested area, or the Applicant's capital improvement plan reflecting facilities needed to serve the area being requested.

Applicant's Response:

Water – The Applicant's new, 16-inch water transmission line was completed and put into service in July 2020 (labeled as "16" Planned City of McGregor Distribution Line" on Attachment #6), allowing the Applicant to serve the area directly. Distribution infrastructure required to serve the requested area was installed as part of the residential development construction that was completed in August 2018.

Sewer – Per Article 4 of the Interlocal Agreement as a part of Attachment #5, the Applicant and City of Waco participated in a joint project to construct a wastewater line to convey wastewater from the requested area to the City of Waco for treatment. This project was completed in January 2018. Collection infrastructure required to serve the requested area was installed as part of the residential development construction that was completed in August 2018.

Staff 1-2

A description of the sources of funding for installation of facilities required to serve the requested area.

Applicant's Response:

Water – Facilities are currently in place to serve the requested area.

Sewer – Facilities are currently in place to serve the requested area

Sincerely,

Jacob R. Hinson, P.E.
