**REQUIRING CLARIFICATION**

This Order addresses the need for clarification regarding the total number of acres comprising the requested area. In the application filed on July 6, 2020, the applicants state that the total acreage of the requested area is approximately 106 acres.<sup>1</sup> Commission Staff's supplemental recommendation on administrative completeness and proposed procedural schedule filed on January 20, 2021, and recommendation on approval of the sale filed on February 12, 2021, similarly reflect 106 acres.<sup>2</sup> However, the notice forms attached to Commission Staff's supplemental recommendation on administrative completeness and proposed procedural schedule, the notice provided by the applicants, and various other documents state that the requested area is 140 acres.<sup>3</sup>
