**ORDER NO. 3
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
AND ESTABLISHING AN OPPORTUNITY TO CURE**

This Order addresses the July 6, 2020 application of Olan Johnson dba North University Estates Water Company and Intermediary Solutions Holding, LLC for approval of the sale, transfer, or merger of facilities and certificate rights in Lubbock County, and the sufficiency of the application.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before September 16, 2020, the applicants must supplement the application to cure the deficiencies identified in the August 17, 2020 memorandum of Reginald Tuvilla. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before October 16, 2020, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 18th day of August 2020.
