PUC DOCKET NO. 51023

APPLICATION OF THE CITY OF SAN ANTONIO TO AMEND ITS CERTIFICATE OF CONVENIENCE AND NECESSITY FOR THE SCENIC LOOP 138-KV TRANS. LINE IN BEXAR COUNTY, TX

PUBLIC UTILITY
COMMISSION OF TEXAS

JOHN & RENEE TAYLOR FIRST SUPPLEMENT TO THEIR MOTION TO INTERVENE AND RESPONSE IN OPPOSITION TO BEXAR RANCH L.P.'S MOTION FOR CLARIFICATION, etc.

Comes now John & Renée Taylor, Intervenors in the above styled and number proceeding respectfully submitting this their First Supplement to their Motion to Intervene and Response In Opposition to Bexar Ranch L.P.'s Motion For Clarification, etc. and for cause would show as follows:

1. Intervenors incorporate by reference PATRICK CLEVELAND'S MOTION IN OPPOSITION TO BEXAR RANCH, L.P.'S "MOTION FOR CLARIFICATION OF INTERVENOR STANDING AND TO SHOW CAUSE" as if set forth fully herein.

2. Intervenors own property within the Anaqua Springs Ranch subdivision. Intervenors are members of the Anaqua Springs Ranch Homeowner's Association (ASRHOA). One or more of the proposed routes crosses property owned by ASRHOA and will consist of a "taking" of said property or some part thereof in the event it is constructed. Intervenors therefore own an interest in property directly affected by the proposed routes. Intervenors thus have a justiciable interest in the taking of said property. Even so, Intervenors respectfully note that the right to intervene does not require so much as a justiciable interest, but merely an "interest in the application ...". Tex. Util. Code §37.054

3. In addition to the above, Intervenors own property in Anaqua Springs subdivision that is in close proximity to one of the proposed routes or route segments, and is directly affected by at least three of the possible alternatives due to the "blanket" effect of boxing in ASR with possible alternatives. Thus, Intervenors owns property that will be directly affected by the outcome of this proceeding.

4. Intervenors respectfully point out that all of the above information is contained, even if by inference, in the form Motion previously filed and is at least equal to the grounds given for standing by Bexar Ranch, L.P.'s own Motion to Intervene. In addition, in its Motion for Clarification, Bexar Ranch gave no substantive reason why Intervenors lack standing *nor even why their standing should be questioned*. Overall its motivation for even filing the Motion remains unclear.

PRAYER

For the reasons given, Intervenors respectfully request that Bexar Ranch, L.P.'s Motion for Clarification Of Intervenor Standing And To Show Cause be denied or dismissed and/or alternatively that Intervenors Motion to Intervene as Supplemented be GRANTED.

Respectfully submitted,

John & Renée Taylor
25007 Caliza Cove Boerne, TX 78006
