PUBLIC UTILITY COMMISSION OF TEXAS

In re Application of the City of San Antonio,  
Acting By and Through the City Public Service  
Board (CPS Energy) To Amend its Certificate  
of Convenience and Necessity for the Proposed  
Scenic Loop 138-kV Transmission Line Project  
in Bexar County, Texas

Docket Number: 51023

MOTION FOR HEARING

I, Patrick Cleveland, respectfully request a hearing on the merits in the above captioned case.

I am a co-owner of High Country Ranch (HCR) located in northwest Bexar County. CPS Energy's proposed transmission line #49 dissects HCR in an east-west direction. CPS Energy's proposed transmission line #46 bounds the north property line of HCR. As HCR property will be directly affected by CPS Energy's proposed transmission lines, I have intervened in the case.

A hearing will be necessary to contest the above proposed transmission lines through testimony, witnesses, exhibits and other evidence.

WHEREFORE, for the above reasons, I, Patrick Cleveland, respectfully request that the above captioned case be set for a hearing on the merits.

Dated this 8<sup>th</sup> day of September, 2020.
