STATEMENT OF POSITION OF
DAVID K. BURKE

My name is David K. Burke. I am an intervenor in this case. I live at 25011 Caliza Cove, Boerne, Texas, 78006, which is within the Anaqua Springs Ranch subdivision; I am impacted by the proposed transmission line that runs along Toutant Beauregard and the southern border of Anaqua Springs Ranch property.

I am opposed to the routes that run along/border Toutant Beauregard as they will have significant negative aesthetic impact to the area. This aesthetic impact will negatively affect property values for the area.

I am also opposed to the routes that use segments 38, 39, and 43 for the same reason, because those segments impact Anaqua Springs properties on the southern border.

I wish to remain an intervenor and participate in this case.

Respectfully submitted,

David K. Burke
