STATEMENT OF POSITION OF
Elizabeth & John Kupferschmid

Our names are Elizabeth & John Kupferschmid. We are intervenor(s) in this case. We own at 11218 Anaqua Springs & 11302 Anaqua Springs, which is within the Anaqua Springs Ranch subdivision and am impacted by the transmission line that runs along Toutant Beauregard and that runs along the southern border of Anaqua Springs Ranch property.

We are opposed to the routes that USE/RUN ALONG/ARE PARALLEL TO/ FOLLOW/ UTILIZE/ Toutant Beauregard because of the decreased value in our properties as well as other established surrounding neighborhoods, the aesthetics of a metal monstrosity in our front yard and the unknown potential health issues from excessive electrical transmissions.

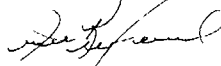

We are also opposed to the routes that use segments 38, 39, and 43 because those segments impact Anaqua Springs properties on the southern border.

We wish to remain an intervenor(s) and participate in this case.

Respectfully submitted,

John Kupferschmid
