Re: PUC Docket No. 51023; SOAH Docket No. 473-21-0247 – *Application of the City of San Antonio to Amend its Certificate of Convenience and Necessity for the Scenic Loop 138-kV Transmission line in Bexar County* – Proposed Deadline Filing Grace Period

Administrative Law Judges and All Parties of Record:

Texas is currently facing an unprecedented weather event. In light of the significant hardships faced by many of the parties in this proceeding, CPS Energy respectfully requests a filing grace period until at least Friday, February 19, 2021, for Intervenors' Direct Testimony or Statement of Position (along with a similar day for day extension for Objections to Intervenors' Direct Testimony for testimony filed after February 17, 2021).

Sincerely,

/s/ Kirk Rasmussen
