STATEMENT OF POSITION OF
ED CHALUPA

My name is Ed Chalupa. I am an intervenor in this case. I live at 24906 Miranda Ridge and also own the lot at 24910 Miranda Ridge, Boerne TX, which is within the Anaqua Springs Ranch subdivision and am impacted by the transmission line that runs along the southern border of Anaqua Springs Ranch property and that runs along Toutant Beauregard Road.

I am opposed to the routes that use segments 38, 39, and 43 because those segments impact Anaqua Springs properties on the southern border. I am also opposed to the routes that use/ run along/ are parallel to or follow Toutant Beauregard Road.

It was our dream to live in the Hill Country in Boerne, TX with rolling hills, nature, and privacy away from the city. We spent 25+ years in Dallas working hard with our goal to be able to retire in Boerne, Texas. We were able to fulfill our goal and purchase our dream home. We purchased the lot next to our home to be able to have beautiful rolling hill views and treetops from our home. We have 5 children, 1 grandchild, and another grandchild on the way that all often visit and stay with us to enjoy the peacefulness, purity, safety, and countryside and views.

The power lines will impact the health and safety of our entire family along with destroying the view and adversely impacting our property value.

I wish to remain an intervenor and participate in this case.

Respectfully submitted,
