RE: PUC Docket No. 51023; SOAH Docket No. 473-21-0247 - *Application of the City of San Antonio to Amend its Certificate of Convenience and Necessity for the Scenic Loop 138-kV Transmission Line in Bexar County*

Dear Judges Vandrovec and Pemberton:

This letter is to provide an update and request an extension for Steve Cichowski's testimony until Friday, February 26, 2021. Mr. Cichowski was impacted by the storm. He lost water during the early part of the storm, and only recently had service restored on Sunday evening. His electricity was intermittent, and his office server, which contained most of the exhibits to his testimony, has been down since electricity was curtailed. Sadly, he also suffered the loss of his father-in-law during this time. He has been unable to assist in finalizing his testimony. For these reasons, I am requesting an extension until Friday February 26, 2021. CPS's attorney Kirk Rasmussen is unopposed to this request. I have not contacted other parties at this time, although all parties are planning a call related to altering deadlines in this case sometime this week. Anaqua Springs will be happy to work with any parties who will need additional time for discovery based on Mr. Cichowski's testimony.

Respectfully,

Ann M. Coffin
