Suzan Corral

Respectfully submitted,

My name is Suzan Corral. I am an intervenor in this case. I live at 11434 Anagua Springs, which is within the Anagua Springs Ranch subdivision and am impacted by the transmission line that runs along Toutant Beaugard and that runs along the southern border of Anagua Springs Ranch property.

I am opposed to the routes that USE/RUN ALONG/ARE PARALLEL TO FOLLOW/UTILIZE/ Toutant Beaugard because lower it would drastically lower my property value, has been proven to cause cancer, would be built near McAndrew Elementary School and many residential neighborhoods, is not appealing to the eye for neighborhoods known for premier hill country views, etc.

I am also opposed to the routes that use segments 38, 39, and 43 because those segments impact Anagua Springs properties on the southern border.

I wish to remain an intervenor and participate in this case.
