RE: PUC Docket No. 51023; SOAH Docket No. 473-21-0247 - *Application of the City of San Antonio Acting By and Through the City Public Service Board (CPS Energy) to Amend its Certificate of Convenience and Necessity for the Scenic Loop 138-kV Transmission Line in Bexar County*

Dear Judges Vandrovec and Shenoy:

Relative to the last item in SOAH Order No. 11 in the above-referenced matter, it appears from the parties' witness cross-examination lists that there may be no need to break into a confidential hearing to discuss Exhibit No. 8 of Carl G. Huber's direct testimony, which has been designated as confidential.

However, if that is not the case, I suggest we reserve any cross-examination of Mr. Huber regarding the confidential exhibit for a separate hearing comprised only of those attorneys, parties and witness who have executed the protective order in this matter.

Sincerely

Lynn Sherman
