---	----------------------------	---

**ORDER NO. 6
REQUIRING CLARIFICATION**

On August 11, 2020, Save Huntress Lane Area Association (SHLAA) filed a motion to intervene in this docket. In its motion, SHLAA stated, “Except for those members who intervene separately, the association is authorized to represent the interest of its members in this matter. . . . Because certain of the proposed transmission line routes will affect properties owned by these members of Movant, Movant has a direct, justiciable interest that may be adversely affected by this proceeding’s outcome.”¹ On August 18, 2020, City of San Antonio filed a response to SHLAA’s motion.

On or before September 1, 2020, SHLAA must clarify whether it requests intervention on its own behalf as a separate legal entity or as a formally designated and authorized representative of the individuals identified in exhibit A attached to SHLAA’s August 11, 2020 motion. If SHLAA is requesting intervention as an authorized representative, it must submit proof of its authority to appear on behalf of the individuals identified in exhibit A attached to its motion.²

Signed at Austin, Texas the 25th day of August 2020.
